

CAMiLoD Academic User Fees (not including training):

It is the responsibility of every user to cancel bookings if instrument time is no longer required, within the allowed limits. If user login durations at the workstation exceed the on-line booked slot, CAMiLoD will add this time to the bill. It is thus of utmost importance to log-out from the workstations after instrument use.

** Rates in black font are based on hourly use, and rates in red are based on usage per run.

*** Peak rates apply on weekdays from 8:00 am – 6:00 pm; Off-peak rates apply after-hours (6:00 pm – 8:00 am), weekends and holidays.

For laboratories with high demands on equipment usage time, CAMiLoD offers a special fare:

The CAMiLoD Gift Card: Your savings are ~20%! Pre-pay a minimum subscription of \$4,000 and all usage hours of your lab will be debited at off-peak rates until pre-paid funds are exhausted. There is no time limit to spend the funds. CAMiLoD will notify when credit is running low; subscriptions can be renewed with additional payments of \$4,000 or more. If the subscription is not renewed and funds are depleted, regular rates will apply. Any unused funds are non-refundable. **Training and service hours are exempted from the CAMiLoD Gift Card discount offer.** Make this arrangement by contacting camilod@utoronto.ca.
